I am happy to update you that we secured all approvals to terminate the 1968 Administrative Agreement. We recently sent a cable to our Embassy in Berlin instructing the Embassy to exchange diplomatic notes with your Foreign Office using the text the lawyers had already agreed on. I understand that the Embassy and Foreign Office already have made an appointment for Friday morning in Berlin to make the exchange of notes.

If you need any further information, you may reach me on my cell phone number below.
