Anlagen: Supply Overview PPT.pdf

Dear [REDACTED],
Thank you for sharing this news. I will think it about and get back to you.

In the meantime, I have prepared a detailed PPT on the products.

Dear Marina,

Enclosed please find a link to an article in tomorrow's „Süddeutsche Zeitung“. It describes that following a direct conversation between Mrs Merkel and President Xi Chinese Government has given direct contact to a company Moheco being able to offer masks in good quality. As a consequence Germany will receive continuously and good quantity of necessary equipment. Another article states that today a Lufthansa plane brought 8 mio masks from China to Munich.

As you know, we have contacted the government today and expect feedback tomorrow.

If there is any comments following the articles which can be helpful in our conversations with the Government please let us know.

Best regards,

[REDACTED]
